

PERSONAL SAFETY & WELLNESS IN ONE MOBILE SOLUTION

All-in-one Personal Safety Solution for Successful Aging

Numera® Libris 2® improves on the groundbreaking performance of the Libris® mPERS by providing advanced features for an all-in-one mobile health, wellness and personal safety solution. Libris 2 offers greater location accuracy, LTE support and improved microphone and speaker performance for crystal clear audio. With these added capabilities, Libris 2 sets the mark even higher for mPERS performance.

Numera EverThere® cloud-based platform integrates personal safety and emergency response with proactive and socially engaging health services. Numera provides seniors and their family members tools to track and share important health and activity information, allowing people to take charge of their health, and keep families and caregivers engaged.

Advanced fall detection for 24/7 alerts to family and caregivers

Fully mobile for personal safety at home and on the go

Device and event notifications for keeping the family and caregivers informed

Water-resistant to 1 meter (3.3 ft) for 30 minutes. Designed to be worn in the shower

- Improved call quality with improvements to the microphone and speaker
- GPS and mobile network location-based services
- Advanced automatic fall detection with on-board sensors and cloud-based fall detection analysis using proprietary algorithms
- Numera Libris 2 is a branded or white-label solution that is offered by Nortek Security & Control's customers directly to their own end users

Designed to Fit Your Lifestyle

Whether you're an active senior, someone working alone or in a vulnerable environment, Libris 2 provides peace of mind for you and your loved ones.

Leading Edge Fall Detection

Detects falls via multiple sensors. Automatically calls your response team if it senses you have fallen. Nearly 90% of Numera® Libris® 2 users utilize fall detection.

No Installation

Libris 2 set-up and device management is easy, the device is pre-configured, and does not require any on-site installation. Libris 2 integrates with existing monitoring systems.

More than Mobile PERS

Libris 2 is paired with the EverThere cloud platform, a web based portal for Numera Libris 2 customers, with location services, family and caregiver social features, online device settings, and customized notifications.

Full Line of Accessories

Libris 2 features a full line of accessories that help track your health at home or on the go. Integrates with 2GIG home security systems for added personal safety.
