

## LONE WORKER PERSONAL SAFETY DEVICES

### Stay Safe and Protected in the Field

The Numera® Libris® 2 personal security and safety device delivers immediate incident notification and protection – ideal for lone workers in the retail and delivery service sector including warehouse, customer facing retail, and delivery services. With the press of a button, the Libris device utilizes two-way voice to connect with supervisors or colleagues to ensure the safety of remote and front line workers.

The Libris device includes GPS and Wi-Fi to enable safety and security groups the ability to locate the device both at work, or on-the-road. The long-lasting rechargeable Libris device is lightweight, yet ruggedized providing shatter resistance up to 2 meters and water submersion up to 1 meter for 30 minutes. A variety of carrying options are available.

Equipped with the latest 4G LTE cellular network technology and available on AT&T, Verizon, and Telus (Canada).

Emergency Services with 24/7 Help

Device and Event Notifications to Keep Employers Informed

Fully Mobile for Personal Safety On the Go

Water-Resistant to 1 Meter (3.3 ft) for 30 Minutes

## Lone workers exist in nearly every industry, making them a wide and diverse market of customers

- Retail Front Line Worker
- Home Delivery Drivers and Services
- Hotel, Casino, and Other Service Industry Workers
- Electrical / Telephone Wire and Tower Workers
- Real Estate Agents
- In-Home Care Takers
- Manufacturing Workers
- Park Rangers
- Private Contractors
- Security Guards

### Silent Mode

Libris 2 offers a silent mode. In this mode the device will suppress all audio and visual cues, enabling the emergency call to be covert and not draw the attention of the perpetrator.

### No Installation

Setting up and managing the Libris 2 PERS is easy. The device is pre-configured and does not require any on-site installation. The Libris 2 PERS integrates with existing monitoring systems.

#### Lightweight and Discreet:

Libris 2 pendant can be worn on a belt or on a lanyard under clothes for easy and hidden accessibility.

#### Rugged Casing:

Advanced durability for shatter resistance up to two meters and water submersion up to one meter for 30 minutes. (IK06 and IP67 ratings)

#### Hands-Free Voice Calls:

The device automatically calls the monitoring center when a fall is detected – no need to push a button to receive help.
